A graduate of Xavier University, Jeff enjoyed a successful 15-year career in the corporate real estate world having reached the level of Vice President, Regional Real Estate Director prior to joining OnSite Retail Group. Jeff has extensive experience in strategic retail site selection, acquisition, portfolio disposition and leasing.

In his corporate experience, Jeff interfaced directly with market area executive teams, evaluated and established plans for their growth and re-positioning. Jeff, a detail-oriented and disciplined professional with insightful creative thinking skills, is a strong leader and team player.

Jeff has gained experience working across OH, KY, IN, TN and MO over the past 15 years. To be successful Jeff built solid relationships with internal customers and external partners and carries this experience with him to OnSite Retail Group to continue building great relationships with his clients and realizing great results. Jeff specializes in landlord representation, project leasing and dispositions as well as tenant representation.
